Speakers:

Catch Cormier – *Cenla's Dazzling Dozen*

Catch is president of the Kisatchie Fly Fishers and Cenla Kayak Anglers, and has served as president or officer of numerous organizations. For 20 years, he's managed the Louisiana Fly Fishing website (laflyfish.com).

For 16 years he's been the fly fishing columnist for Louisiana Sportsman magazine, and for 4 years a kayak fishing reporter for "Outdoors with Don Dubuc" weekly radio show. He travels the country fishing, tying flies, and giving programs.

Ron Braud / Stephen Roberts – *Making and Painting Poppers*

Ronald Braud is a frequent tier at Louisiana Fly tying shows who specializes in tying elaborately painted poppers.

Stephen Roberts is the founder & the President of the Houma, LA club Fin-Addict

Fly Fishers. Stephen began fly tying around 2003 and has not looked back. He has enjoyed tying multiple patterns from tiny Coldwater Flies to the large offshore Bluewater Flies. Stephen is mostly known for his warmwater patterns (Crappie Candy, Slow Sinking Spider & His Poppers).

Fred Hannie – *Understanding Pond Fish*

From Lake Charles, LA, Fred is a member of the IFFF Fly Tiers Group. Fred is also Board member of the IFFF Gulf Coast Council. He was awarded the GCCC 2014 Fly Tier of the Year. His flies have been featured in various magazines and e-zines including Fly Fishing & Tying Journal, Fly Fusion, Fly fisher and the cover issue of Fly tier magazine

Keynote Speaker:

Bill Laminack

“Fishing the Florida Coast”

Bill hails from Panama City, Florida where he fishes the grass flats and other marshy areas looking for redfish and speckled trout. In addition to speaking Bill will also be one of our event fly tiers. He is an avid fly tier of both warm and salt water flies and will be tying some of the successful patterns that he has developed.

Come get some tips on fishing and tying for the marsh, whether inshore Louisiana, or your next Florida vacation!

Fly Tiers:

Dirk Burton – Baton Rouge, LS. Dirk is an expert tier specializing in woven flies. His Tussle Bug and Cajun Tickle are just two of the flies he invented.

Kyle Moppert – Baton Rouge, LA, Kyle is the president of the Gulf Coast Council of the Federation of Fly Fishers (IFFF) and ties a variety of patterns including spoonflies and damsel flies.

Stephen Robert – (see presenters)

Fred Hannie – (see presenters)

Kirk Dietrich – Arabi, LA. Kirk's flies have been sold by Orvis, featured in books and magazines, and on the web. We're excited to have one of the top innovators in fly tying back at our conclave.

Marc Pinsel – Hammond, L.A. Winner of the IFFF 2014 Charles Brooks Memorial Life Award. Creator of the 4M and a Master of wool flies, Marc has tied at shows across the US and Europe. He will gladly swap flies for fine cigars.

Also Tying: Peter Allen, Vic McClain, Burley Johnson

Casting Instructor:

Roger del Rio – A founding member of RSFF, and a Federation of Fly Fishers (IFFF) Certified Casting Instructor. He's been fly fishing saltwater for nearly 30 years. Roger will cover casting basics and casting instruction
